

Model 64910

“Class Act”

1,706 Sq. Ft.

There's no need to sacrifice any of those desirable floor plan features you've dreamed of in a full sized home. We've included them all at a truly affordable price in this classy Aspen Series home. The master bedroom retreat can be a totally private "get away" or opened to access through the Morning room if you prefer.

Note the spacious size to each and every room and the built-in storage provided.
