

“Our Compliments”

This popular plan provides a full compliment of living concepts in a compact size and with a truly affordable price. With two large bedrooms, great closet space, two full baths, large utility, formal dining, built-in microwave cabinet, raised counter snack bar and even a corner porch entry this home offers many features usually found only in larger sized homes. You may add any of our full width end wall porches found on various plans throughout this book.

MODEL 42738 1,121 Sq.Ft.

“Our Compliments” is shown in this artist’s print with our optional 11ft sidewall dormer with wings and columns, boxed windows and corners, corbels in the gable peaks, a typical site-built garage and our optional hip roof porch with deluxe accents.
