

“Street Scenes”

This plan provides ample views of the front yard neighborhood and direct private patio access to the back yard. Although designed for an attached garage you may replace the utility room door with a window if you prefer detached parking space in your site plan.

MODEL 46742 1,244 Sq.Ft.

Opt Deluxe Master Bath

Our “Street Scenes” model is shown in this artist’s print with optional 11 ft dormer, grid windows, a typical site-built garage and our deluxe exterior package combining lap accents, columns and shutters in a very attractive but inexpensive residential appearance.
