

“Corner View”

Kitchen chores will become a delight with this wrap around the sink window treatment and a step-saver kitchen design. A texture finished archway separates the kitchen from the living area and the corner porch is standard. Note that any end wall porch option will replace the cut corner kitchen windows with a two window corner.

MODEL 48703 1,252 Sq. Ft.

This artist's print shows our "Corner View" plan with the standard corner porch, our optional prism dormer, lap siding with boxed windows and corners. This plan accepts all our optional end wall covered porch options shown elsewhere in this book.
