

**“Harbor Master”**

*Watch the ships roll by with a commanding view in this most popular front living room plan that’s perfect for your waterfront or hilltop retreat. And that view is very flexible when enhanced by your choice of a variety of available window, dormer and covered porch options. You can convert the 3rd bedroom to your own chart room with a cut corner arched entry and our popular computer center option. And the Captain’s quarters offer a walk-in closet to stow away your gear.*

MODEL 49731 1,315 Sq.Ft.

This artist’s print shows the “Harbor Master” with optional 8ft covered porch, deluxe porch accents, boxed windows and corners plus an added window in the living room sidewall beneath a 14 ft dormer with wings, columns and lap accents.
