The artist's print shows the front living room "del Norte" models with a combination of optional lap siding and wainscote, optional Georgian entry door and a typical site-built garage with special accent features and lighting.

'Del Norte 813'

Model 54813, 1,688 Sq. Ft.

Minimum side yard setbacks can be attained with any of our "del Norte" plans making them perfect for narrow lot dimensions. Here are two front living room variations providing front yard views and back yard privacy. The 813 features a covered porch and breakfast nook. The 814 replaces both with a family room and patio door. Choose either "del Norte" front living room plan for affordable elegance suitable for any residential neighborhood.
